Board of County Commissioners of Natrona County
200 North Center Street, Suite 115

RE: Transfer H Street Property Title to Iris House, Inc.

Dear Commissioners:

Some of you may be aware that in March 2017, WMC and the Board of County Commissioners of Natrona County ("BOCC") entered a Memorandum of Understanding ("2017 MOU") regarding real property commonly referred to as the "H Street Property" with the address 239 East H Street, Casper, Wyoming 82601. A copy of that MOU is attached.

The 2017 MOU set forth WMC's intent to donate the H Street Property to Central Wyoming Counseling Center ("CWCC"), a nonprofit corporation, for purposes of providing a facility from which CWCC could provide expanded behavioral health opportunities within Natrona County. However, after the MOU was executed, but before the title was transferred, the parties and CWCC realized the plan was not going to work and no further action was taken.

However, WMC identified another nonprofit corporation with a mission of assisting people with a mental illness. Specifically, Iris House, Inc. provides opportunities for adults living with severe and persistent mental illness to build their skills and rejoin our community. Iris House, Inc. can utilize the H Street Property to expand those opportunities.

Therefore, WMC recommends BOCC transfer title to the H Street Property to Iris House, Inc.

Sincerely,

LICENSE

Date 1-8-2020 Road N. Mystery Bridge Rd.

The BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF NATRONA, STATE OF WYOMING, (hereinafter called the "Board"), hereby grants a license to Freeman Jay Crawford

(hereinafter called the "Licensee"), to construct, maintain, use and operate Driveway (hereinafter called the "Facility"), located in Section 4 Township 33-78 N, Range W, upon the property of the County of Natrona, acquired for and utilized in the operation and maintenance of a county road in the locations and positions and in strict accordance with the specifications shown on the print dated 1-8-2020, attached hereto, marked Exhibit "A", and by this reference specifically made a part hereof.

This license is granted upon such express terms and conditions as are inserted below, and should the Licensee at any time violate any of the said terms or conditions herein contained or use or attempt to use said facility for any other or different purpose than that above specified, or refuse or fail to comply with any rule or direction of the County Road and Bridge Superintendent, made by said Superintendent under his general supervisory powers of control and supervision of county roads for the use and safety of the general public, then the Board may, at its option, immediately revoke this license.

This license is subject to the following conditions:

FIRST. The work of constructing, altering and maintaining of the Facilities shall be prosecuted and completed in a good and workmanlike manner at the sole expense of the Licensee and under supervision of, and to satisfactorily meet the specifications of the County Road and Bridge Superintendent. Such work of construction, alteration and maintenance of the Facility shall be done in such a manner as to in no way interfere with the use, operation and maintenance by the County of Natrona of a county road for county road purposes, and in such manner as to in no way endanger the general public in use of said county road right-of-ways.

SECOND. The said Licensee shall give to the Board, through the County Road & Bridge Superintendent, at least ten days notice, in writing, before entering upon the county road right-of-way for the purpose of construction or alteration of the Facility or to make necessary repairs, except in case of genuine emergency requiring immediate repair, then in that event, the Licensee shall notify the Board, through the County Road & Bridge Superintendent, or local maintenance authority immediately enter upon the county road right-of-way and make necessary repairs. Licensee shall be responsible for any repairs necessary to road or right-of-way for 180 days after completion of construction.

THIRD. The said Licensee agrees to forever indemnify and defend the Board, their agents or employees, against and save them harmless from all liability for damage to property or injury to or death of persons, including all costs and expenses incident hereto, arising wholly or in part from or in connection with the existence of, construction, alteration, maintenance, repair, renewal, reconstruction, operation, use or removal of the said Facility as it pertains to county road property.

FOURTH. The Board reserves the right to use, occupy and enjoy its right-of-way for a county road and for county road purposes, in such manner and at such times as it shall desire, the same as if the instrument had not been executed by it. If any such use shall at any time necessitate any change in the location or manner of use of said Facility, or any part thereof, such change or alteration shall be made by the Licensee, at the sole expense of said Licensee, upon the demand of the Board, through the County Road & Bridge Superintendent, and neither the Board nor the County of Natrona shall be liable to the said Licensee on account thereof, or on account of any damage growing out of any use which the County of Natrona or the Board, or either of them, may make of its said right-of-way.

FIFTH. The Board shall have the right at any time to revoke this license by the giving of thirty (30) days notice in writing to the said Licensee, and at the expiration of the time limited by said notice, or upon the express revocation of this license for any of the causes enumerated herein, the Licensee shall promptly and in the manner directed by the Board, through the County Road & Bridge Superintendent, remove said Facility and each and every part thereof, hereby authorized, from the premises of the county road right-of-way and leave said premises in the same condition in which they were before the installation of said Facility. Upon the refusal or failure of the Licensee so to do, the Board may remove the Facility and each and every part thereof and restore the county road right-of-way to the same condition as before the granting of this license, and the Licensee hereby agrees promptly to pay to the County of Natrona the cost of said removal of the Facilities, and each and every part thereof.

SIXTH. The County of Natrona and the Board, for the purpose of this license, hereby disclaims any representation or implication that it retains any title in any county road right-of-way other than a perpetual easement for road purposes for so much land as described by the instrument conveying such easement. The Licensee by these present accepts notice and agrees that any expenses or damages incurred by said Licensee as a result of this disclaimer shall be borne by said Licensee at no expense whatsoever to the Board or the County of Natrona. It shall be also understood that on Access Facility Highways, ingress and egress shall be limited to those locations as designated by the Board, or their Designated Representative, and shown on plans on file in the office of the County Road Department and County Surveyor.

SEVENTH. The waiver of any breach of any of the terms or conditions of this Licensee shall be limited to the act or acts constituting such breach, and shall never be construed as being a continuing or permanent waiver of any such term or condition, all of which shall be and remain in full force and effect, as to the future acts or happenings, notwithstanding any such individual waiver or any breach thereof.

EIGHTH. The said Licensee agrees to locate underground facilities when needed by the County or other users for future construction and maintenance activities. This location information will include the marking of the facility on the ground, as specified by W.S. §37-12-301 et seq., with the appropriate color and including the nature and elevation of the utility and shall be tied both horizontally and vertically, by coordinates, by a licensed land surveyor to a public land survey corner.
