## **CONTINUATION COVERAGE ADMINISTRATIVE SERVICES AGREEMENT**

This Administrative Services Agreement (the “Agreement”) is between Lifetime Benefit Solutions, Inc. (“LBS”), a New York Corporation with a principal place of business at 333 Butternut Drive, Syracuse, NY 13214 and **Natrona County** (hereinafter referred to as the “Employer”), with a principal place of business at 200 North Center Street, Casper, WY 82601 concerning the Employer’s welfare benefit plan (the “Plan”). This Agreement is effective as of **July 1, 2020** (the “Effective Date”).

In consideration of the mutual covenants contained herein, the Employer and LBS agree as follows.

**1. Purpose.** The Employer desires LBS assistance from LBS in the administration of the continuation of coverage provisions applicable to the Plan pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (“COBRA”), applicable state group health continuation coverage laws (“State Continuation Coverage”) and the Uniformed Services Employment and Reemployment Rights Act (“USERRA”), as applicable. As used in this Agreement: the general term “Continuation Coverage” refers to COBRA, State Continuation Coverage, and USERRA; the term “qualified beneficiary” refers to any person entitled to elect continued group health coverage under any such law; and the term “qualifying event” refers to an event which entitles such person to elect continued group health coverage under any such law; unless the context indicates otherwise.

**2. Effective Date; Term.** LBS shall provide to the Employer the administrative services specified in this Agreement, as of the Effective Date. The Agreement will remain in effect for a period of one year from the Effective Date, and shall renew automatically for consecutive twelve (12) month terms on the anniversary of the Effective Date unless earlier terminated in accordance with Section 12 or 16 of this Agreement.

**3. Consideration; Payment; Taxes and Fees.** As consideration for the performance of administrative services by LBS under this Agreement, the Employer will pay to LBS the fees set forth on each LBS invoice within thirty (30) days of the date of the invoice. Fees will be calculated in accordance with the fee schedule attached to this Agreement as Schedule A. The fees specified on Schedule A will remain in force for a period of one (1) year from the Effective Date of this Agreement. All fees incurred after that period will be subject to change by LBS upon sixty (60) days’ prior written notice to the Employer. Employer shall be responsible to pay or reimburse LBS for all taxes applicable to the transitional reinsurance program under the Affordable Care Act or similar initiatives. In the event taxes or fees related to Comparative Effectiveness Research (CER), the Patient-Centered Outcomes Research Institute, or similar initiatives, are applicable to this Agreement, then Employer shall be responsible to pay or reimburse LBS for all taxes and fees applicable to such programs. LBS reserves the right to fund

these tax payments or fees by adjusting its administrative fees to pay such taxes or fees upon written notice to Employer.

4. **Reports.** Upon request from the Employer and pursuant to reasonable instructions provided by Employer, LBS shall make available to Employer any reports necessary for the Employer to calculate and pay all taxes and fees applicable to Comparative Effectiveness Research (CER), the Patient-Centered Outcomes Research Institute, or similar initiatives that require counts of covered persons.

5. **Notification and Election Procedures.** The following procedures are agreed upon by the Employer and LBS to facilitate the proper administration of Continuation Coverage by LBS on behalf of the Employer.

(a) Upon the occurrence of each qualifying event as determined by the Employer consisting of the divorce or legal separation of an employee, or a child's loss of dependent status under the Plan, the Employer will notify LBS of the qualifying event in writing at the address designated by LBS by completing and submitting to LBS a qualifying event fact sheet supplied to the Employer by LBS, electronic file in an approved file format or information entered into the LBS system via the employer portal. The qualifying event fact sheet/file/information must be submitted to LBS within thirty (30) days after the earlier of receipt by the Employer of notification of the event or the date the Employer becomes aware (or should have become aware) of the event. The Employer will also provide to LBS all information and data needed for LBS to notify the qualified beneficiary of his or her rights and obligations under Continuation Coverage.

(b) Upon the occurrence of each qualifying event consisting of the termination or reduction in hours of an employee's employment, or an employee's entitlement to Medicare benefits, or the death of an employee, the Employer will notify LBS of the qualifying event in writing at the address designated by LBS by completing and submitting to LBS a qualifying event fact sheet, electronic file in an approved file format or information entered into the LBS system via the employer portal. The qualifying event fact sheet/file/information must be submitted to LBS within thirty (30) days after the earlier of receipt by the Employer of notification of the event or the date the Employer becomes aware (or should have become aware) of the event. The Employer will provide to LBS on the fact sheet, file or by information entered into the LBS employer portal: the employer's name, the name of each qualified beneficiary, the name of the Plan, the date of the qualifying event and the type of qualifying event so LBS can notify each qualified beneficiary of his or her right to elect Continuation Coverage.

(c) Upon the occurrence of an employee leaving employment to perform military service that is subject to USERRA, the Employer will notify LBS of this fact in writing at the address designated by LBS by completing and submitting to LBS a qualifying event fact sheet, electronic file in an approved file format, or information entered into the LBS system via the employer portal. The qualifying event fact sheet/file/information must be submitted to LBS within thirty (30) days after the earlier of receipt by the Employer of notification of the event or the date the Employer becomes

aware (or should have become aware) of the event. The Employer will provide to LBS on the fact sheet, file or by information entered into the LBS system: the employer's name, the name of each qualified beneficiary, the name of the Plan, the date of the event and the type of event so LBS can notify the qualified beneficiary of his or her rights and obligations under Continuation Coverage.

(d) LBS will program into its computer system all pertinent information and data supplied by the Employer for purposes of Continuation Coverage notification and will provide, within fourteen (14) days of receipt of a qualifying event fact sheet, electronic file in an approved file format or information entered into the LBS Continuation Coverage system via the employer portal, a Continuation Coverage notification and election form to each qualified beneficiary either by first-class mail or by certified mail, return receipt requested, at the option of the Employer.

(e) If LBS does not receive a qualified beneficiary's completed notification and election form in a timely manner, or if a qualified beneficiary notes upon the form an intention to decline Continuation Coverage, LBS shall, on the date of expiration of the sixty (60) day election period, close the file maintained by LBS with respect to the qualified beneficiary.

(f) If a qualified beneficiary properly elects Continuation Coverage by submitting an appropriate notification and election form to LBS within the sixty (60) day election period, LBS will provide to the qualified beneficiary confirmation of the election to continue coverage, along with an invoice for Continuation Coverage premium(s) due from the date of termination of benefits under the Plan. The confirmation form utilized by LBS will indicate the expiration date of the forty-five (45) day period for payment of the first premium(s), including any retroactive payments owed.

(g) LBS will notify the Employer in writing (or provide a report) of a qualified beneficiary's written election to continue or decline Continuation Coverage, or failure to make a Continuation Coverage election on a timely basis.

The Employer will then be responsible for notifying the insurance carrier(s) that the qualified beneficiary's coverage is to be continued or discontinued.

LBS, on behalf of the Employer, will be responsible for notifying the insurance carrier(s) that the qualified beneficiary's coverage is to be continued or discontinued.

Employer will also be granted access to the reporting information on LBS' employer portal and described in Section 14(b).

## 6. Payment of Premiums.

(a) LBS will collect all premium payments due from each qualified beneficiary, plus the applicable administrative fee. (In cases in which no specific administration fee is expressly set by law, the administrative fee shall be agreed upon by LBS and the Employer.) If the first premium payment is not received within forty-five (45) days from the date of the election, LBS will close the qualified beneficiary's file and notify the Employer immediately so that the Employer may, in turn, notify the insurance carrier(s). If the first Continuation Coverage premium payment is received within forty-five (45) days from the date of election, LBS will establish a billing schedule for the qualified beneficiary that will be maintained for the duration of the qualified beneficiary's Continuation Coverage. Each invoice provided to a qualified beneficiary by LBS will specify the premium owed and the due date.

(b) All premium administrative fees collected by LBS shall be paid over to the Employer on a monthly basis.

LBS shall hold in trust for the Employer, and shall forward to the Employer or the Employer's designee, on a bi-weekly basis, all premium payments received from the Employer's qualified beneficiaries, along with such other information as shall be required under this Agreement. The Employer will then pay directly to the insurance carrier(s) all premium payments due for the coverage of its qualified beneficiaries and reconcile with the carrier(s).

LBS will pay directly to the insurance carrier(s) all premium payments received from the Employer's qualified beneficiaries, along with such other information as shall be required under this Agreement and reconcile with the carrier(s).

7. **Open Enrollment.** In the event that the Plan permits a periodic election of benefits ("open enrollment"), LBS will provide to the Employer, approximately ten (10) business days prior to the commencement of the open enrollment period, a list of names and addresses of all qualified beneficiaries covered under the Plan. The Employer will then send annual election forms to each qualified beneficiary on the list. At the close of the open enrollment period, the Employer will notify LBS of any changes in the coverage selected by the qualified beneficiaries.

## 8. Employer Obligations.

Business Associate will comply with any agreement that Organization makes that either (i) restricts use or disclosure of Organization's Protected Health Information pursuant to 45 CFR § 164.522(a), or (ii) requires confidential communication about Organization's Protected Health Information pursuant to 45 CFR § 164.522(b), provided that Organization notifies Business Associate in writing of

the restriction or confidential communication obligations that Business Associate must follow. Organization will promptly notify Business Associate in writing of the termination or alteration of any such restriction agreement or confidential communication requirement.

#### 4. Privacy Obligation Breach and Security Incidents.

##### (a) Reporting.

- i) Privacy Breach. Business Associate will promptly advise the Organization of any use or disclosure of Organization's Protected Health Information not permitted by this BAA or in writing by Organization. Business Associate will provide initial notification to the Organization, following discovery and without unreasonable delay, but in no event later than three (3) business days following discovery, any "Breach" of "Unsecured Protected Health Information" as these terms are defined by the Breach Notification Regulation. This obligation to notify shall include any unauthorized acquisition, access, use, or disclosure, even where Business Associate has determined that such unauthorized acquisition, access, use, or disclosure does not compromise the security or privacy of such information, unless such acquisition, access, use or disclosure is excluded from the definition of breach in 45 CFR 164.402(2). Business Associate shall cooperate with Organization in investigating the Breach and in meeting the Organization's obligations under the Breach Notification Regulation and any other security breach notification laws.
- ii) In addition, following the initial notification referenced above, the Business Associate shall report any actual or reasonably suspected Breach to the Organization. Such report shall include the identification (if known) of each individual whose Unsecured Protected Health Information has been, or is reasonably believed by Business Associate to have been, accessed, acquired, or disclosed during such Breach. Business Associate will make the report to Organization's Privacy Officer not more than ten (10) business days after Business Associate learns of such non-permitted use or disclosure, or promptly thereafter as information becomes available. Business Associate's report will at least:
  - A) Provide a brief description of what happened, including the date of the breach and the date of discovery of the breach, if known;
  - B) Provide a description of the types of Unsecured Protected Health Information that were involved in the breach (such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code, or other types of information were involved);

- C) Identify any steps individuals should take to protect themselves from potential harm resulting from the breach; and
  - D) Include a brief description of what the Business Associate is doing to investigate the breach, to mitigate harm to individuals, and to protect against any further breaches.
- iii) Security Incidents. Business Associate will report to Organization any attempted or successful (A) unauthorized access, use, disclosure, modification, or destruction of Organization's Electronic Protected Health Information or (B) interference with Business Associate's system operations in Business Associate's information systems, of which Business Associate becomes aware. If any such security incident resulted in a disclosure of Organization's Protected Health Information not permitted by this BAA, Business Associate must provide the notice and report as required by Section 4(a)(i) and (ii) above.

Notwithstanding the foregoing, the parties hereby agree that this BAA is sufficient notification of the occurrence of multiple, unsuccessful security incidents including but not limited to attempted penetration of Business Associate's firewalls by computer viruses, attempted computer system hacks and other unsuccessful attacks on Business Associate's security and data infrastructure. Business Associate shall provide specific details on any such unsuccessful security incident upon Organization's specific request.

(b) Termination of Agreement.

- i) Right to Terminate for Breach. Either Party may terminate this BAA if it determined that the Other Party has breached a material provision of this BAA and, upon written notice to the Breaching Party of the breach, the Breaching Party fails to cure the breach within a reasonable period of time not to exceed thirty (30) days without the express, written consent of the Non-Breaching Party. The Non-Breaching Party may exercise this right to terminate this BAA by providing the Breaching Party with written notice of termination, stating the failure to cure the breach of the BAA that provides the basis for the termination. Any such termination will be effective immediately or at such other date specified in the notice of termination. If for any reason the Non-Breaching Party determines that the Breaching Party has breached the terms of this BAA and such breach has not been cured, but the Non-Breaching Party determines that termination of the Agreement is not feasible, Organization may report such breach to the U.S. Department of Health and Human Services.
- ii) Obligations on Termination.

Upon termination of this BAA for any reason, Business Associate shall return, or at Organization's request, destroy all Protected Health Information that Business Associate still maintains in any form, and shall retain no copies of such Protected Health Information, except that Business Associate may maintain one copy for archival purposes to verify that it provided the services under the contract. If return or destruction is not feasible, Business Associate shall retain the Protected Health Information, subject to all of the protections of this BAA, and shall make no further use of such Protected Health Information.

- (c) Indemnity. Either Party ("Indemnifying Party") shall indemnify, hold harmless and defend Other Party and its employees, officers and directors (each an "Indemnified Party") for any third party claim against agents allegedly resulting from any unauthorized use or disclosure of Protected Health Information by the Indemnifying Party's acts or omissions in violation of applicable law or this BAA (each a "PHI Breach Claim"). The selection of counsel, the conduct of the defense of any lawsuit and any settlement shall be within the sole control of the Indemnifying Party. The Indemnifying Party shall, at its sole cost and expense: (i) defend the Indemnified Parties from and against such PHI Breach Claim, and (ii) indemnify and hold the Indemnified Parties harmless from any damages or expenses (including reasonable attorney's fees) actually and finally awarded against an Indemnified Party for a PHI Breach Claim, or any settlement of a PHI Breach Claim made in lieu of further litigation.

#### 5. Organization's Obligations.

- (a) Organization shall notify Business Associate of Organization's Notice of Privacy Practices, including any limitation(s) in accordance with 45 CFR 164.520, to the extent the Notice of Privacy Practices and/or such limitation(s) may affect Business Associate's use or disclosure of Protected Health Information.
- (b) Organization shall notify Business Associate of any changes in, or revocation of, the permission by an Individual to use or disclose Protected Health Information, to the extent that such changes may affect Business Associate's use or disclosure of Protected Health Information.
- (c) Organization shall notify Business Associate of any amendment or restriction to use or disclosure of Protected Health Information that Organization has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of the Protected Health Information.
- (d) Organization shall ensure that any Secured Protected Health Information, as defined under the HITECH Act and guidance promulgated thereunder, transmitted by Organization to Business Associate shall be secured by a

technology standard that is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute and is consistent with guidance issued by the Secretary specifying the technologies and methodologies that render Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals.

- (e) Organization shall not request Business Associate to use or disclose Protected Health Information in any manner that would not be permissible under the Privacy Rule, the Security Rule, or the HIPAA Final Rule, except as permitted pursuant to the provisions of Section 1 of this BAA.

## 6. General Provisions.

- (a) Inspection of Internal Practices, Books, and Records. Business Associate will make its internal practices, books, and records relating to its use and disclosure of Organization's Protected Health Information available to DHHS to determine Organization's compliance with the Privacy Rule, 45 C.F.R. RESOLUTION PLACING **PARTIAL FIRE** CLOSURE RESTRICTIONS ON  
NATRONA COUNTY, WYOMING, DUE TO EXTREME FIRE DANGER

WHEREAS, the Natrona County Fire Warden, after consultation with the Natrona County Fire District, the Casper Mountain Fire District, and the Bureau of Land Management have agreed to recommended the **partial closing** of all areas within the boundaries of Natrona County, Wyoming, to open burning and other fire related activities on all private and county lands in Natrona County; and

WHEREAS, the Bureau of Land Management has imposed a fire closure resolution on BLM lands in Natrona County, Wyoming; and

WHEREAS, Natrona County is currently approaching drought conditions and fire danger is extremely high; and

WHEREAS, W.S. §§ 35-9-301 and 302 provide authority to the Board of County Commissioners in the State of Wyoming, if certain conditions are met, to "...close the area to any form of use by the public or may limit such use upon the recommendation of the county fire warden, including prohibition of any type of open fire...for such period of time as the board of county commissioners may deem necessary and proper;" and

WHEREAS, Natrona County has the inherent power and authority to regulate, limit and prohibit activities and uses of lands and premises owned by Natrona County, Wyoming, or in which Natrona County holds a legal interest; and

WHEREAS, based upon the recommendation of the Natrona County Fire Warden, and the information provided by him to this Board of County Commissioners, it is deemed necessary and proper to prohibit and limit the use of open fires and incendiary devices in Natrona County, Wyoming, for so long as high fire danger conditions continue to exist.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Natrona County, Wyoming, that effective commencing **July 1, 2020**, the open burning and other fire related activities on all private, county, and, to the extent not inconsistent with other closure orders such as State or Federal, lands in Natrona County, Wyoming, is hereby placed under restriction as follows:

1. Trash and refuse is to be burned only in containers provided with spark arrestors in a 10 foot cleared area between the hours of 8:00 a.m. and 11:00 a.m. only in areas approved for this type of burning.

2. Wood fires must be contained in established fire rings. Building or using any open fire or camp fire, except within fire rings or grates at developed campgrounds, or within fully enclosed stoves grills or in stoves using pressurized liquid gas is prohibited.
3. Charcoal fires within enclosed grills are permitted; however, the discarding of the hot coals in a manner that will cause an ignition of a fire is prohibited.
4. No person shall throw or drop any lighted match, cigar, cigarette or other burning substance in combustible material (weeds or brush) or in the close proximity of combustible materials.
5. No smoking, except within an enclosed vehicle or building, a developed recreation site, or while stopped in an area of least 3 feet in diameter that is barren or cleared of all flammable material.
6. Discharging and detonation of fireworks, explosives requiring fuses blasting caps or exploding targets are prohibited without an approved permit.
7. No acetylene cutting torches or electric arc welding except in areas devoid of all vegetation in a ten foot area.
8. No propane or open fire branding activities except in corral areas in ranch complexes considered to be improved and cleared of all vegetation matter.
9. No fire or open flame allowed in unimproved areas.
10. No operation of chainsaws without a properly installed USDA or SAE approved spark arrestor and either a 5lb. or larger dry chemical fire extinguisher or an adequate supply of water and a shovel in case of a fire. These fire tools may be kept with the operator's gas supply, but must be available in the immediate vicinity of the chainsaw operations.
11. There will be no slash pile burning on Casper Mountain. Landowners on Casper Mountain with slash pile cleanup can take their slash to Tower Hill, which has been designated for receipt and disposal of slash materials.
12. Additional restrictions on allowed uses, in particular areas, may be imposed due to adverse weather, range and fuel conditions (i.e. Red Flag Days), at the discretion and advice of the County Fire Warden, Natrona County Fire District and Casper Mountain Fire District.

13. Religious organizations or entities seeking an exemption from the fire restrictions for religious ceremonies must make application to the County Fire Warden for the exemption and provide details as to the nature of the ceremony and proposed safety precautions to minimize the risk of fire danger.

BE IT FURTHER RESOLVED, that the penalties provided in W.S. § 35-9-304 may be improved for violations of this resolution, to wit: A fine not to exceed One Hundred Dollars (\$100) or imprisonment in the Natrona County Jail not to exceed thirty (30) days, or both such fine and imprisonment.
