GENERAL INFORMATION

VOTING ABSENTEE

If you are a registered voter, you may request an absentee ballot at any time during the calendar year in which the election is held but *not* on the day of the election. Absentee voting begins, and ballots are distributed, as early as 45 days before the election.

To request an absentee ballot, contact your County Clerk. You will need to provide your full name, residence address, mailing address, and date of birth. Remember to ensure that your absentee ballot is returned to your County Clerk's office by 7 p.m. on Election Day.

VOTING ASSISTANCE

If you or someone you know is disabled, they may receive assistance with filling in the ballot from a person of their choice. If you or someone you know is unable to understand English, they may receive assistance with filling in the ballot from a person of their choice. Please contact your County Clerk with any questions about polling place accessibility.

FILLING OUT YOUR BALLOT

You may vote for any candidate or ballot question on your ballot and you *do not* have to cast a vote in every race that appears on your ballot. You may also cast a write-in vote for someone whose name is not on your ballot.

RESTORATION OF VOTING RIGHTS

If you have been convicted of a felony you may request to have your voting rights restored. Contact the Wyoming Department of Corrections at (307) 777-5983, or visit their website at: <http://corrections.wyo.gov/info-for-offenders/restoration.html>

CONSTITUTIONAL AMENDMENTS

Proposed Constitutional Amendments appear only on the General Election Ballot. In order to pass, an amendment must be approved by a majority of those voting in the General Election. Therefore, **if you do not cast a vote on a proposed amendment, the result is the same as a vote against the issue.**

SAMPLE BALLOTS

Sample ballots are published in local newspapers and are available at your County Clerk's office.

A MESSAGE FROM THE ELECTION DIVISION

Fellow Voters,

Voting is one of the most sacred, important, and exciting rights we have as citizens of the United States of America. The 2020 election is currently being conducted during one of the most challenging times in the history of our country, and we want to reassure you that Wyoming's elections remain resilient and secure.

Whether you choose to vote absentee or at a polling place on election day, please know that we have taken steps to ensure your health and safety. Personal Protection Equipment will be provided to poll workers and each polling place will have appropriate sanitization and social distance protocols in place. Wyoming's County Clerks have also ensured that all polling places are located in buildings with adequate floor space to accommodate social distancing.

We understand that this is an unusual time so please reach out to our office if you have any questions.

With best regards,

Wyoming Secretary of State's Office
Election Division

DID YOU KNOW?

Wyoming law requires that employees be given one hour off to vote on Election Day. However, there are some exceptions. The law does not apply to employees with three or more consecutive non-working hours during the time polls are open, and some federal agencies are exempt. (W.S. 22-2-111)
