County web: www.natronacounty-wy.gov

"The purpose of the Natrona County Development Department is to provide necessary services to implement sound land use planning and economic development policies to protect and enhance the quality of life for present and future inhabitants of Natrona County."

CHECK LIST FOR RESIDENTIAL BUILDING PERMIT APPLICATIONS

Section R1061.1 of the 2012 International Residential Code requires construction documents to be drawn upon suitable material and shall be of sufficient clarity to indicate the location, nature, and extent of the work proposed. Drawings shall be to scale and shall be a minimum size of 11X17 and shall show the following:

1. Front, back, and side elevations.
2. Footprint of each floor including basement.
3. Structural framing details.
4. Locations of all fuel burning appliances.
5. Locations of all plumbing fixtures.
6. Footer/foundation detail including concrete encased grounding electrode as Required by NEC 250.52 (3).
7. Location of all emergency escape windows in all sleeping rooms and basement.
8. Any decks shall be shown on elevations.
9. A site plan shall accompany the permit application.
10. All wiring must meet the current requirements of the NEC 2014.
11. Truss Specs showing Roof Snow Load and Wind Speed that meets current design criteria.

One set shall be **furnished and retained** by this department throughout the duration of construction and a certificate of occupancy has been issued.
