B. GENERAL ANIMAL RULES

1. All animals must be pre-entered on-line through the ShoWorks program, by 4:30 p.m., Friday, June 22nd.
2. Exhibitors will provide their own bedding, each specie committee to determine type. Cleanliness of stalls and comfort of livestock must be maintained. Water must be available at all times. Dirty animals may be excused from show and/or sale ring. One warning will be given. Repeat offenses will be sent home.
3. **All market animals must be designated to be 4-H or FFA project animals at the time of ear tagging.**
4. Youth must be responsible for care of their own animal throughout the year and during Fair.
5. **Livestock Fitting Rule** – 4-H & FFA members are expected to take care of, groom and fit their own animal(s) at the Fair. However, in the interest of safety or education, a member may be assisted by another bonafide Wyoming 4-H or FFA member. Be prepared to show proof of membership.

Assistance is defined as a learning situation, where the person doing the assisting is teaching the member a technique in fitting or showing. This person is allowed only to show the member the proper skill or techniques, and the member is expected to perform the majority of each technique/skill required.

Violations of this rule must be reported to the show committee before the animal enters the show ring. A decision by the show committee will be made before the animal is allowed in the ring. The show committee for each specie show division will consist of the 4-H Educator, FFA Advisor, 1 adult 4-H representative, 1 adult FFA representative, 1 4-H youth, and 1 FFA youth.

If the 4-H or FFA member is found to be in violation of the fitting rule, he/she will not be allowed to show that animal in any division entered at the Central Wyoming Fair, including showmanship.

Beef; we understand that junior members (age 8-10) may need some assistance from older members and possibly adults with heavier barn detail or for safety reasons. Youth must be present.

6. Substitute showman rule - Exhibitors must care for, groom, show and sell their own animals. Exceptions are allowed only in the case of two animals in the same class, or illness or injury of the owner. Any other extenuating circumstances must be brought to the 4-H Educator, FFA Advisor and show committee prior to the show in writing to request consideration for an exception.
7. Any abuse or **unnatural** methods of firming animals in or out of the arena may disqualify the contestant from the event or the entire show. (Some examples: beating, *icing*, injections).
8. Unruly animals may be excused from the show, barns and/or Fair.
9. No livestock tie-outs will be permitted until after posted time. Exhibitors removing stock before tie-out time will not be allowed to show and/or sell.
10. Exhibitors are limited to two (2) animals in any one individual class and one pen in pen classes, except where noted. Entries can be 2 4-H OR 2 FFA or 1 each 4-H or FFA. Showmanship animal will be one of these animals. No animal may be entered in more than one Class or Subclass, specifically:

17. Drenching as a method to source nutrition for an animal is prohibited. Only in the case of a licensed veterinarian providing an animal health need to utilize drenching, in writing, is it considered acceptable. Paperwork is to be filed with Animal Care Committee and completed in the presence of specie superintendent.

C. Sanitary Regulations/Veterinarian Inspection

1. All pens need to be cleaned no later than 8:00 a.m. and 9:30 p.m. daily. All waste should be placed in designated area, NOT in the trash cans.
2. All animals must be inspected by the designated veterinarian at the "Healthy Animal Check" at the ARLC. **NO outside inspections will be accepted.** A Wyoming Certificate of Veterinary Inspection will be required for all animals (except rabbits, poultry, cats and pocket pets). The designated veterinarian shall make the final decision in all matters concerning the health or other issues of a particular animal.
3. All livestock presented for exhibition at the Wyoming State Fair or County Fairs within the State of Wyoming will be considered under quarantine and not eligible for showing until the owner or agent presents the proper health certificate stating the animals comply with the following rules and regulations: Official health certificate must be presented to and approved by the specie superintendent prior to stalling animals in the barn. It is the responsibility of the 4-H/FFA member to comply with all State and show animal health requirements.
4. If your animal becomes sick at the Fair, contact your veterinarian and have them contact your specie superintendent so that a record can be made of recommended treatment. Medications will be given with the superintendent present. Refer to VFD USDA guidelines:
<https://www.fda.gov/AnimalVeterinary/DevelopmentApprovalProcess/ucm071807.htm>
5. Wyoming State Fair and Central Wyoming Fair Show Committee will develop an Animal Care Committee charged with determining that proper care is given to all species of livestock (as addressed by Wyoming Statute 11-30-114) while they are on the Wyoming State Fairgrounds and Central Wyoming Fairgrounds.

The Animal Care Committee is created for, and charged with upholding high standards of animal husbandry as well as ethical practices of exhibiting animals. The Animal Care Committee shall be comprised of a Doctor of Veterinary Medicine currently licensed to practice in the U.S.A., and two individuals who represent the agricultural and animal industry and the Superintendent for each species specific division of the Central Wyoming Fair. The Animal Care Committee members will review animals in all divisions of

the Fair. Each division Superintendent will review animals in their division only. **NOTE:** This paragraph may be slightly revised for Central Wyoming Fair

Every exhibitor, in consideration of their entry being accepted by the Wyoming State Fair and Central Wyoming Fair, agrees to submit any animal so entered to inspection by the Animal Care Committee. The exhibitor further agrees to have such animal submitted to any tests designated and requested by the Animal Care Committee. The exhibitor agrees that conclusions and decisions reached by the Animal Care Committee shall be final and not subject to review or protest, however, further testing may be done to confirm the initial conclusion(s) and decision(s) of the Animal Care Committee. A unanimous decision by the Animal Care Committee is necessary for disqualification. Selection of confirmatory testing method(s) will be at the discretion and professional opinion of the Animal Care Committee. The animal in question will not be disqualified until confirmatory tests are complete. Cost(s) of confirmatory test(s) will be borne by the exhibitor of the animal in question if the results are positive (disqualification), and borne by the Wyoming State Fair and Central Wyoming Fair if the results are negative. Refer to the Disqualification Rule, of the Wyoming State Fair Premium Book in the JUDGES AND JUDGING section.

Ref: National Code of Show Ring Ethics (IAFE) 2009 WSF Premium Book.

Ref: Wyoming Statute 11-30-114 2009 WSF Premium Book.

6. The CWFLSC and Animal Care Committee reserve the right to develop, employ and enforce individual health inspections at any time. The management team will make this decision if they feel it is necessary for health and/or wellbeing of animals, public health or other specific health concerns.
7. Any animal exhibiting symptoms of a contagious disease may be placed under quarantine or removed from the Fairgrounds at the discretion of the Species Superintendent, pending verification from a Veterinarian.

Animal Import Requirements

Import requirement information and entry permits may be obtained by calling the Wyoming Livestock Board at (307) 777-7515

D. Judging & Sifting

1. **Interference with judging;** If an exhibitor attempts to interfere with the judge in the performance of their duties, by letter, act or otherwise, he/she will be excused from the competition and will forfeit all prizes and ribbons awarded to them.
2. **Sifting;** Judges are allowed to "sift" animals for sale quality (market readiness). Quality is determined by physical appearance in the show ring and ultrasound quality results. Ultrasound results will be evaluated for potentially sifted animals after the show using results based on set standards. Beef judges will be told that no animals with choice scores should be sifted until all standards are considered.

Notification and explanation of sifted animals will be made in writing from the judge. All sifted animals will be excused from the Fairgrounds. Barn Superintendents will schedule a release time with exhibitors. If the underweight or sifted animal is the exhibitor's only animal, it may be used for the showmanship contest and then must be taken home after the show.

4-H/FFA SHOWMANSHIP

This event is held to select winners to represent Natrona County in the State Fair 4-H and FFA livestock showmanship contests. Open to Natrona County 4-H and FFA members only.

1. Showmanship is required for all 4-H & FFA members in horse, swine, beef, market sheep, breeding sheep, dairy cattle, dairy goat, market goat, alpaca, poultry, dog, cat, rabbit and pocket pet.
2. No boars, stallions, dairy bulls, beef bulls, or billies will be allowed in any showmanship event. No lactating animals will be shown except for dairy animals.
3. Judging will be on the basis of contestant's ability to present their animal for judging including the movement and positioning of the animal, condition and cleanliness of the animal as it relates to being ready for show. Mannerisms and conduct of the showman are also included.
4. Preparation and showing of animals must be consistent with the Fitting Rules in the specie section of this Fair book. See Fitting Rule for assistance clarification.
5. Showmanship exhibitors must show their own animals. Animals must meet ownership requirements and be carried in the current 4-H/FFA project. Exhibitors are not required to use the same animal for showmanship at State Fair that was used at County Fair, however, ownership and project requirements apply to all animals used in showmanship.
6. Members are eligible to compete in both 4-H and FFA showmanship in the same species during the same year. However, the animals must be their respective 4-H or FFA projects and have been exhibited in either a market or breeding class. A Junior, Intermediate, Senior & FFA Champion and Reserve Champion may be selected in each event and be awarded appropriate ribbons.
7. Any Junior, Intermediate or Senior aged youth that is enrolled in the 4-H project of species that they intend to compete with are eligible to participate at the State Fair. Showmanship contestants must compete with their own animals. Ownership and project requirements apply to all animals used in showmanship.
8. State Fair guidelines will apply to Natrona County 4-H/FFA contests, where this Fair Book does not specifically address a concern.

ANIMAL ELIGIBILITY FOR WYOMING STATE FAIR

Only qualifying animals that have been ear tagged or ID'd may represent Natrona County at the Wyoming State Fair.

4-H ELIGIBILITY

4-H Animals shown at the Wyoming State Fair must be designated to represent Natrona County by the respective Central Wyoming Fair competitions and verified by the 4-H Educator.

FFA ELIGIBILITY

FFA Advisor will designate FFA youth and their projects for Wyoming State Fair. (Animals will meet all the same processing requirements as any other animal showing at the Wyoming State Fair).

This award will be scored on care and grooming of animals, neatness of stalls and alleys, care of equipment, courtesy to visitors, personal grooming, etc.

Stalls/cages must be cleaned by 8:00 a.m. and 9:30 p.m. daily. Judges may "red flag" pens for violations. Youth will be accountable for full care of animals at Fair. Repeat offenders will be sent home.

A committee will be appointed to select the award recipients. Herdsmanship will be judged through Saturday evening and awards presented at 4-H Family Night.

For overall award, scores from each specie exhibited at Fair will be considered. A club or chapter may receive both the individual specie herdsmanSHIP awards and overall awards.

4-H SPORTSMANSHIP AWARDS

Sportsmanship awards will be presented to one or more outstanding individuals enrolled in each beef, sheep, swine, rabbit, horse, poultry, goat, dog, pocket pet and cat projects for the current year. Basis for selecting the winners will include: conduct, care of animals, attitude, and cooperativeness both in and out of show ring. Any individuals may nominate a youth at any time during the 4-H year.

PROTESTS

1. All formal protests must be submitted in writing, be signed and be accompanied by a \$100.00 cash or certified check (**refundable only if protest is sustained**). The protest must plainly state the cause of the complaint or appeal and must be delivered to the Central Wyoming Fair Manager.
2. The protest must be filed in writing on the designated protest form at least 12 hours before the show/judging begins or within 12 hours after the end of the show/judging.
3. A protest pertaining to eligibility is most suitable when submitted prior to judging. Judging procedures will not

be interrupted for protest investigation. Depending on the basis for the protest, interested parties may be notified and given the opportunity to submit evidence.

4. A decision may be withheld until a complete investigation can be made. The Show Committee for each specie show division will consist of the 4-H Educator, FFA Advisor, 1 adult 4-H representative, 1 adult FFA representative, 1 4-H youth, and 1 FFA youth. DIVISION 1613 MARKET SHEEP

- Market Lambs will be mouthed at weigh-in and must have a full set of lamb teeth.
- Animals will be weighed and ultrasounded on Sunday, July 8th at 1:00 p.m.
- Animals entered in these classes must either be ewes or wethers (ABSOLUTELY NO RAMS, CRYPTORCHIDS OR ANIMALS WITH RETAINED TESTICLES) and must be entered in the market classes only. Qualified individuals will be available at the May ear tagging to check all wethers. Ear tagging committee will work with exhibitors who may have suspect animals to get them properly castrated immediately. \$5.00 per lamb will be collected at the May tagging, to go toward sheep improvements at Fair and awards.
- Lamb weight ranges for **SHOW ONLY** are from 90 to 165 pounds. **Sale weights are listed on page 6.**
- Underweight lambs (those weighing less than 90 lbs.) will be excused from the grounds at weigh-in. If the underweight animal is the exhibitor's only animal, it may be used for the showmanship contest and then must be taken home after the show. The Barn Superintendent will schedule a release time with the exhibitor.
- Weight classes will be determined by sheep committee after weigh-in at Fair. Two entries per weight class are permitted.** First and second in each weight class will

- compete for face color champion.
- Because of show lamb fungus, all lambs must be slick shorn before being admitted into the barn.
- Face color classifications will be determined at the weigh-in and re-evaluated, if necessary at Fair weigh-in.
- Speckle face lambs must show mottling or black and white color on the face and/or black spots/speckles on the face, ears, and legs below the knees and stifle joint.
- Muzzles may be used in pens.
- All animals not fit for show will be excused from the show ring. Prolapsed sheep will be sent home.

2014 Wyoming State Fair Tail Dock Rules: Sheep presented for exhibit at Wyoming State Fair & Central Wyoming Fair shall have no evidence of rectal prolapse, nor evidence of surgical tail removal. Following visual examination by the Animal Care Committee, evidence of either of these conditions is cause for immediate disqualification without recourse. Sheep presented for exhibit at Wyoming State Fair and Central Wyoming Fair that are visually examined by the Animal Care Committee and determined to lack visible tail length may be evaluated by palpation for the presence of tail vertebrae. If no tail vertebrae are found it is cause for immediate disqualification without recourse. Disqualified sheep shall be released and removed from the exhibit area. Determinations and decisions of disqualification by the Animal Care Committee are final and subject to confirmatory testing as specified in the Animal Care Statement section of the WSF and CWF Premium Books.

In years previous, increased frequency of surgical removal of sheep tails and instances of extreme tail docking of sheep led the Wyoming Board of Agriculture to take decisive action by implementing a Tail Dock Rule at the Wyoming State Fair and Central Wyoming Fair which required the presence of three full coccygeal vertebrae on sheep exhibited at the Wyoming State Fair.

At this time, the Wyoming Board of Agriculture feels significant progress has been made by members of the show sheep industry in addressing the concerns of surgical tail removal and extreme tail docking of sheep, and therefore chose to adopt this rule.

If at any time the Wyoming Board of Agriculture determines that members of the show sheep industry are reverting to the practice of extreme tail docking or the surgical removal of tails of sheep, the Board of Agriculture will direct the Wyoming State Fair and Central Wyoming Fair to re-instate the rule requiring the presence of three full coccygeal vertebrae on sheep.

Wyoming State Fair, Central Wyoming Fair and the Wyoming Department of Agriculture encourage exhibitors to practice the highest standards in animal agriculture. Therefore, all sheep shown at the Wyoming State Fair and Central Wyoming Fair should be docked in a manner that does not compromise the animal's health and wellbeing.

13. All sheep exhibitors must assist with tear-down at 7:00 a.m. on Sunday, July 15th.
14. Exhibitors are responsible for picking up the appropriate brand inspection papers for their animals before leaving the grounds.

2. **Refer to the current 2007 Wyoming Horse Show rule book for dress code and tack requirements.**

Refer to the 2013 Wyoming 4-H Equine Competition Guidelines book for class descriptions. Natrona County may vary from the description of classes. (Example: the time in the Ranch Sorting). Any discrepancies or questions regarding rules herein will be decided by the horse show committee, using the Wyoming Junior Horse Show rulebook as a guide.

3. All exhibitors must have passed the **Horse Safety Certification & endorsements by Monday, June 4, 2018 and successfully completed two horse clinics** (refer to your 4-H newsletter for information) to enter the County Horse Show.
