**S-A BUDGET MESSAGE** W.S. 16-4-104(d)

The Mile Hi Improvement and Service District provides water to 46 district customers supplied by Central Wyoming Regional Water. It is a nonprofit operation. A total of 45, (39 users plus 7 nonusers), customers have access to water. The system has provision to provide a grand total of 54 customers or pre-installed meters. There are 54 meter customers.

The budget provides for the direct sale of water at a small profit. That profit is set aside for operating, repairs, and emergencies. In addition, all customers pay an operation and maintenance fee of \$35/ month for water users or \$25/ month for nonusers. Nonusers are those that have meters and structures capable of using water. As nonusers connect to the system they pay a one-time tap fee of \$1002, and a refundable \$150 meter deposit.

Service is provided by uncompensated board members, contract operators (2), a bookkeeper and a meter reader. Other services and materials are provided, as needed, by "on the spot" purchase. This includes: paper, postage, legal, insurance, bonding, accounting, software, lab and testing service, and other miscellaneous service and materials.

The system was built through a loan from the Wyoming State Water Development Commission. Interest on that loan is \$4308/ year. A County special assessment fee of \$175/ meter is charged to pay the interest and principle. However, 9 customers prepaid for the development. 45 people are charged this assessment.

Monies collected are for all of the above, with some funds placed in operating capital, savings, emergency, repair, and sinking funds. Purpose: The object and Purpose of the Mile-Hi Improvement & Service Dist is to supply the District with potable water for the use of the inhabitants thereof. The Mile Hi Improvement and Service District provides water to 39 district customers supplied by Central Wyoming Regional Water. It is a nonprofit. 2019-2020 budget meeting will be a proposed additional cost to begin replace of meters which are more accurate. O&M to remain the same.

An increase in fees will be proposed and voted on at the July budget meeting. The district is expected to see an increase from the regional water district in the amount of 4.6% this year. A proposed increase to \$4.05/1000gal to offset these increases which equate to a 5% increase.
