your knowledge of
plants and their
environment; the hands
on experience and
being able to help
others with their
questions and problems
is a rewarding

Become A Master Gardener Volunteer

You can become a Master Gardener if you are: interested in learning about plants and gardening and willing to provide forty hours of volunteer service, helping others know how to grow.

Master Gardeners are trained volunteers, who share a love of gardening, an enthusiasm for learning, and a

UNIVERSITY OF WYOMING
EXTENSION OF
NATRONA COUNTY

Master Gardener Training

Class fee will be \$200.00 and due one week prior to the first class. Make check payable to the Natrona County Extension.

Classes are held on some weekdays and some Saturdays. New Master Gardener Trainees are required to contribute 40 Volunteer hours.

Individuals wishing to participate in the Master Gardener training should contact the office for more information and to fill out an application. A panel of Master Gardeners and Donna Hoffman our Horticulturist will work with applicants to review applications for the Master Gardener Program. Trainees will enjoy the learning process and discover so much about our climate,

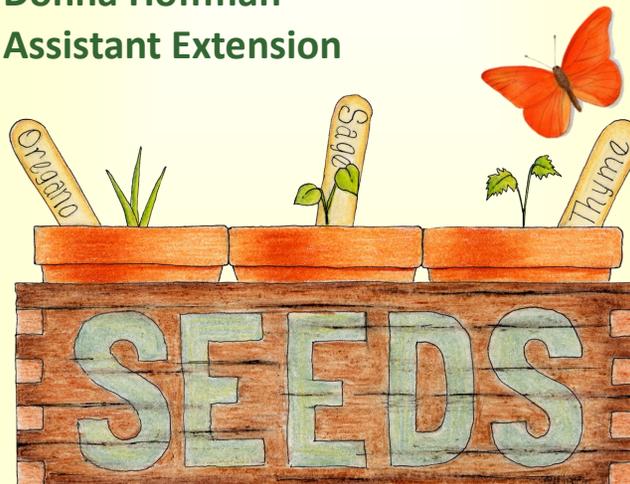

Master Gardener trainees receive current, research based information from University of Wyoming Extension Educators.

We are delighted that you are interested in joining the Natrona County Master Gardener Program.
